of meetings was set up for the club season.

In October, there will be a Pot Luck Supper at which the plans and goals for the year will be discussed. The January curriculum programs will be presented at this time on the subjects of Social Studies, Mathematics, Language Arts, Science and Physical Education. The club will also be provided with information on the subject of "Testing: How It Affects Your Child." Plans for the annual meeting in May are still incomplete, but the executive board hopes to arrange something different and special for this final meeting of the year.

Attending the executive board session at the home of the new president, Charles B. Dunn, were the first vice-president, Paul Mullaney; the second vice-president, Joseph Kobak, Jr.; the recording secretary, Mrs. Roland Charest; the treasurer, Barney Helfand; ways and means chairman, Mrs. Richard Norman; publicity chairman, John R. Dear friends,

There is an apparent widespread lack of information about funeral costs. May we explain again that the cost depends entirely upon the tastes and desires of the family.

It need not be high. In fact, we earnestly advise against the purchase of funeral merchandise that might prove burdensome. And whatever the selection might be, our complete facilities and service are included.

Respectfully,
